

Comparison/Contrast Essay

Introduction

Here is what it looks like put together.

Example

Heroic, humble, and hopeful, Harriet Tubman strove against slavery both before and during the Civil War. In her childhood, Tubman longed to be free, Eventually, she captured that freedom and continued fighting for the freedom of her brethren for the rest of her life. In the article “The Woman Called Moses,” Walter Oleksy and Meg Mims assert that Tubman had one single focus: to escape slavery and to live free, yet, in “Leaders of the Civil War: Harriet Tubman,” by Ann Malaspina, the author depicts Tubman as a war hero striving for her people; upon analysis, both articles contain many similarities and differences.
